

HUNTING HABITAT CONSERVATION AWARD

**Sponsored by the
MFHA FOUNDATION**

ENTRY FORM

Entries due Sep 29, 2017

Nominated Awardee (MFHA-recognized hunt; Individual(s); or other organization:

Location of entry, including name and address of Master (s), individuals, or organization and its responsible leaders:

Contact Person: _____

Narrative description of the entry's conservation efforts (please use additional sheets of paper to fully describe these programs and include any photos, media coverage or other documents which support the entry). Activities to be focused upon may include, but are not limited to:

1. Distinctive and continuing programs for maintaining wildlife habitat - not just for foxes or coyotes - but for all rural fauna and flora;
2. A systematic approach to the placement of significant amounts of open lands into perpetual easement - hunting, scenic, historical, conservation, etc.;
3. Fostering and supporting a conservation organization or foundation to conserve large tracts of land and the indigenous wildlife;
4. Organized efforts aimed at educating the general public - particularly the young - on the need for conservation of natural resources.
5. The formation of alliances or working in concert with other conservation organizations.
6. Evidence of sustained political activity in the furtherance of open land preservation.
7. A Hunt which contributed a great deal toward the fostering and maintaining of conservation.

Signature: _____
