

What Forms Do I Need to Fill Out For My Annual Hound Registration?

Each Hunt is required to submit a list of all hounds in their kennels on a yearly basis. This list, along with pedigrees for the registration of the current year's entry must be submitted to the MFHA office by December 31st each year.

Your first step in this process is to create or edit your Hound List. Blank hound registration forms are available on our website at <http://www.mfha.org/hounds-regforms.html> for you to complete. If you would prefer to have a digital copy of last year's hound list to edit, please contact the office at (540) 955-5680 or via email at office@mfha.com and we will send you a copy. Printed hound lists published by Hunts at the beginning of each season are also acceptable. Once you have compiled your hound list, use the chart below to determine if any additional paperwork is required.
