# THE FOXHUNTING COLORING BOOK – "MY FIRST FOX HUNT"

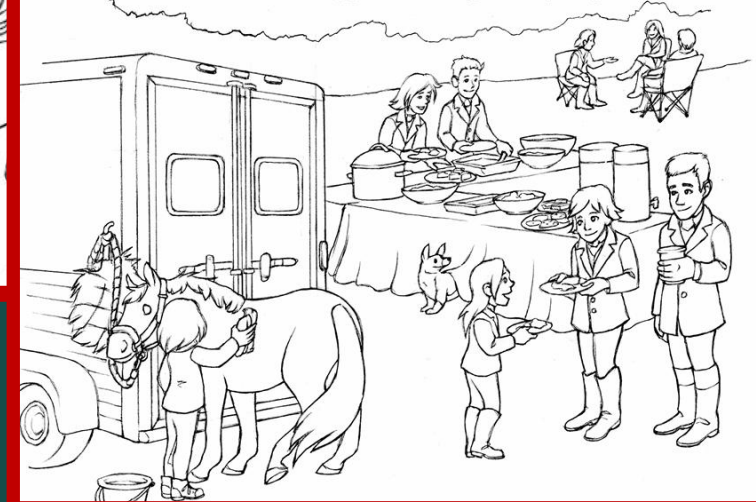

## My First Foxhunt

With the sounds of the hounds in full cry and the huntsman blowing "gone away" on his horn, away we went!

After the hunt, we cleaned up our horses and joined the group for a delicious hunt "breakfast," even though it was afternoon. We thanked the master, the huntsman and the whippers-in for a great day of sport!

Award Program

# Margaret Lindsley Warden

Margaret Lindsley Warden was chosen as the namesake for the MFHA Pack Junior Award Program due to her profound impact on the horse world, her focus on junior riders, and her enjoyment of nature and preservation.

“Warden also founded the Middle Tennessee Pony Club in 1953 and served as the D.C. and Regional Supervisor for many years. She was a member of the Board of Directors of the U.S. Equestrian Team and was awarded the Wofford Cup in 1986 and The Founders Award from the United States Pony Club in 1989. Warden wrote the "Horse Sense" column for the Nashville Tennessean newspaper, and due to her writings and promotion of horsemanship and education, she was one of the earliest voices for the ethical and humane treatment of horses.”

# Pony Club

Where it all begins

- The United States Pony Clubs, Inc. was founded in 1954 by a group of foxhunters with the goal of encouraging youth in the sport, while teaching safe riding and horse care. The foxhunting community and Pony Club also work together on a shared mission to preserve and protect open land for horses and riding.

- Foxhunting education has been part of the Pony Club curriculum since the beginning. All members learn Foxhunting history and terminology.
- Pony Club offers instructors mounted and unmounted lesson plans to teach foxhunting etiquette, terminology, riding in a group, jumping in a line, and riding outside of the ring so all levels and ages can enjoy the sport.

The Foxhunting Recognition Program is separated into unmounted and mounted sections. The unmounted section can be completed individually and is required as part of the mounted section. Martin Wood III, Joint Masters of the Live Oak Hounds in Monticello, Florida, and Past Presidents of the MFHA. This award is designed to encourage Pony Club members who do not regularly hunt to try the sport, to reward those members who do hunt on a regular basis, and act as mentors to the younger and less-experienced Pony Club members. A total of \$10,000 will be awarded to six Pony Clubs/Centers who qualify based on the percentage of total members in the club/center.

The Award period will run from April 10 of the previous year to April 9 of the current year, with the winners announced by May 1. More information is available on the website [www.ponyclub.org](http://www.ponyclub.org).

- *Tradition*
- *Etiquette*
- *Proper attire*
- *Protocol*
- *Punctuality*
- *Conservation*
- *Vocabulary associated with the sport*
  
- She gained poise and self confidence through being part of a group, and accepted by the members of all ages, from many walks of life.....I can't begin to mention all the benefits she gleaned from being in the hunt!"

# A Celebration of the Sport for Juniors

The JNAFHC founders Douglas Wise-Stuart, MFH of Old Dominion Hounds and Iona Pillion from the Blue Ridge Hunt had a dream, *“Bring children to new hunting countries and open their eyes to the fact that these playgrounds don’t just happen to be there for them by chance but have been nurtured and conserved for the perpetuation of wildlife, open space, and for those who treasure the natural world.”*

They gave their dream life by creating the **Junior North American Field Hunter Championship** which provides juniors with the opportunity to hunt new territories, make new friends, and experience friendly competition.

Now in its 22nd year the dream continues to grow in scope and participation, with more hunts hosting qualifiers each season, and creating events to help educate juniors on the importance of land conservation, habitat preservation, good hound traits and care, safe horsemanship and foxhunting skills.
