Dear Members,

In thinking back on last season, I am reminded of how busy it was – even while Covid was lurking! The series of Hound Performance Trials with nine qualifiers taking place in nine states with the culmination of a Grand Championship in South Carolina with Sedgefield Hunt. There were 32 hunts representing 27 states. Also, as you've seen, our MFHA rebranding continues in enhancing our monthly newsletters as well as our website, publications, and membership categories. Last May, MFHA Foundation's Dog Daze was held at Glenwood Park and was a tremendous success with not only foxhunters, but also community members appreciating the various working dog exhibitions.

In looking ahead for MFHA's 2022 – 2023 season, there is emphasis on the Field Hunter Trials which are scheduled for all 15 districts throughout the United States running from October – April ending with the championship scheduled for Saturday, May 27, 2023, at Morven Park. Please take advantage of these great events by participating or offering your time! There will also be greater focus on our youth through the Junior Pack Committee which is working to develop a wide range of programs and events. Also, we are delighted to be headed back to New York City for the last weekend in January for our Annual Meeting and Hunt Ball – will be great to be back as well as kicking up our heels!

With realizing I am only able to highlight a portion of the events of last year and this year, I continue to be amazed by the talent and the time given by our office anchors of Andrew Barclay as Director of Hunting and Billie Jo Pearl as Director of Operations. Last year would not have gone as well as it did without their dedication. I am certain this season will be much the same due to their efforts.

As always, please give of yourself to our sport in the manner which meets your talent and energy best – from local to national participation. As my husband's cousin cleverly says 'get in where you fit in' as we continue only to be as strong as the time we give together!

All the best to you and your pack for the 2022 -2023 season,

Leslie Rhett Crosby, MFH

WHEN YOU'RE READY TO MOVE TALK TO WILL

"Will is a natural, he has a deep love and appreciation for the land and he's no stranger to this area - he grew up fox hunting and loves horses. He is also an accomplished tennis player. His time on the court has taught him how to be a team player, a lesson he carries over into his real estate career."

~ John Coles

Owner Thomas & Talbot Estate Properties
Real Estate Professional

"Since starting his career at T&TEP Will has hit the ground running. Having been born and raised here, he brings to the table an in-depth knowledge of not just Middleburg - but all the surrounding towns. Both an avid horse person and a high-level tennis player, Will doesn't shy away from the hard work required to get a sale from start to finish. Not to mention his wonderfully polite demeanor makes him such a pleasure to work with."

MFHA FIELD HUNTER CHAMPIONSHIP

YEAR OF THE HORSE

The 2022–2023 hunting season becomes the foxhunters' Year of the Horse as the Masters of Foxhounds Association (MFHA) organizes a series of horse competitions across North America. The MFHA Field Hunter Championship is more than a celebration of the foxhunting horse; it's a chance to earn regional and national field hunter titles that distinguish riders and their hunts. Additionally, it's an opportunity for hunts to raise funds.

This horse competition will be similar to the Centennial Field Hunter Championship held in 2007. Hunts will host Qualifiers in each of the MFHA's 15 Districts, with the top horses qualified to attend the Finals in May of 2023 during the Virginia Hound Show weekend.

FORMAT

Two divisions will be offered: jumping and non-jumping, called Hunters and Hilltoppers respectively. The Qualifiers and Finals will be open to Juniors who will compete with adults. In addition to the opportunity to place with adults, a Best Junior Award will be given at the Qualifiers and at the Finals. For those who don't remember, during the Centennial championship, the Juniors proved to be quite competitive, with a Junior winning the overall Championship at the Finals!

The MFHA is working with the District Chairmen of the Qualifiers every step of the way, providing everything from entry forms to judging guidelines to press release forms. Again, these Qualifiers are fundraisers for the hunts who are gracious enough to host them.

FINALS

The MFHA will host the Finals Saturday, May 27, 2023, at Morven Park, Leesburg, VA, the venue of the Virginia Foxhound Show. The Finals for the Centennial Field Hunter Championship attracted over 4,000 spectators, and indications are this Championship will prove as popular.
