

MFHA Pack Junior Margaret Lindsley Warden Award Program

The Pack Junior Awards Program is a self-administered program designed to increase awareness of the Pack Junior Membership, promote education, and encourage Pack Junior Members to be active in their local hunts. Participants can choose to focus on hound activities or horse activities by completing badge criteria, which the Master's will sign off on as completed. To complete each entry, participants are asked to express how nature and conservation is key in their enjoyment of our sport in an essay. District Directors choose a winner for their district and submit to be considered for the national winner.

Awards

- Annual Award Winners at District Level (Fifteen Districts)
 - Winner age group 13-18 - **\$400 Award**
 - Winner age group 12 and under - **\$200 Award**
